NTCIA Holds Installation Of New Season's Officers

The October meeting of the North Torrance Civic Improvement association held at the North Torrance recreation hall heralded the start of a new year for NTCIA with formal installation of new officers elect.

Past vice-president, Jack White installed president John Kesson, vice-president Norma Prange, secretary Kenny Uyeda, treasurer Barbara Nesbitt, and auditor Willa Dean Throop in a simple ceremony. Muri Reeves, past president then turned the meeting over to the new officers.

New committee chairmen appointed by Kesson are; Edward Nobe, safety, health, and welfare; Bonita Nobe, ways and means; Al Kirkpatrick, recreation; Ed Carlstrom, institutional representative; Velma Teubner, membership; Walter Teubner, publicity; Milt Hunter, parliamentary; Olive Hunter, education; and Jesse Cable, refreshment chairman.

Three changes to the by-laws and constitution of NTCIA were proposed and tabled for vote at the next general meeting. The changes would move meeting nights for the organization and its board to Thursday nights, rather than Wednesday nights, and allow merchants of North Torrance who do not live in the North Torrance area to become members of the organization. The change of meeting nights to Thursday is proposed to attain the least conflict with other civic meeting dates.

Committee action on three projects was started by the North Torrance Civic Improvement association. The membership voted that the safety, health and welfare committee assist in obtaining the improvement of Prairie avenue from 176th Street to 182nd Street by paving and sidewalks.

The recreational committee plans to assist the city recreation department with the Halloween party for North Torrance children to be held at McMaster Park. The Institutional representative committee has been assigned to investigate the problem of building facilities and land for local Scout groups and for NTCIA.

Civic Recommendations During the business meeting NTCIA voted that letters be mailed to the City Council and City Planning Commission recommending an ordinance to prohibit any future permits of variance on new property, or to new firms, for any type of open pit mining operations.

Also to be recommended to Torrance is a revamping of zoning and building laws to maintain a proper balance of homes, industry and commerce in the city. Present laws do not control unwise subdivision for homes, or commercial and industrial properties.

Meetings Scheduled The next regular meeting of North Torrance Civic Improvement association will be held Wednesday, November 2, at eight p.m. until the work at McMaster Park is completed, the meetings will be held at the Verburg Dairy recreational hall at 2093 West 174th street. The meeting is open to all residents of North Torrance.

The North Torrance area includes Hawthorne boulevard to Western avenue, from Redondo Beach boulevard to 190th street. The NTCIA Board will meet at John Kesson's home Wednesday, October 21, at 7:30 p.m.

Co-op Plans Percussion Construction

Torrance co-operative nursery school plans to construct percussion instruments for the children out of bells, oatmeal cartons, salt boxes, aluminum pans, wooden nail kegs, and gourds at their workshop meeting on Monday, October 17.

Irene Bland, professor of Eurythmics at USC will be the guest speaker at the school's monthly potluck dinner on Monday, October 24 at 7 p.m. Eurythmics, the study of harmonious movement, is a part of the class work offered to the children.

The school held a discussion of nursery techniques, at their last workshop, using as their text "The Nursery School," by Katherine Reed.

The text was suggested for study by Mrs. Myrtle Barter, director of the nursery. Mrs. Barter has done special work under the guidance of Katherine Reed.

Mrs. Barter said that parents interested in enrolling their children in the school should contact Mrs. Don Hughes in the evening at FAirfax 8-0398. Children must be between the ages of 2½ and 5 years old.

Hold Robin Hood Skits

Robin Hood skits were performed by the various dens for the second pack meeting of Cub Scouts 371C held recently at Hillside school.

Five new boys were inducted into the pack, making a total of 25 boys. It was announced that all fathers interested in attending a football game could take five registered Cubs. The outing will be for the Ram's-Fortyniner game.

The pack committee and den mothers met at the home of Cubmaster Robert Schiffler. The theme decided upon was "Handicraft Month for October." The boys will make saleable articles for the Hillside P-T.A. Carnival on October 29, where they will have a booth.

The next pack meeting will be October 28, at which time the boys' handicraft will be exhibited and a Halloween party given by the pack committee for the children.

Students and graduates of last year, Shirley Johnson is working on correspondence as conference secretary; Ross Bush-housen, arrangements for the day; Sandra Sherwood, hospitality; Hank Carreio, publications; Dick Duffy, ASB President; and Barbara Klapp, ASB Secretary.

During the annual state meeting, legislation is passed to benefit and coordinate the activities of the colleges participating. In many instances, resolutions created by the assembly reach state senators and congressmen.

Local Boys Win Honors In Shooting

Torrance youngsters won top honors in the smallbore rifle match for juniors held recently in the San Pedro target range. Donald Fogg, 13, won the Rich-field trophy for first place in Open Class; Jerry Newman, 12, won the standing trophy; and Billy Thomas placed fourth in the open class.

Jimmy Hansen, 12, won fourth place trophy in Expert Class; Billy Smith, 12, won first place in Sharpshooter Class for the beautiful gold Sharpshooter Jewelry Trophy; Gary Evans, 12, placed first in Marksman Class for the Sperou Cup; Bob Pupko, 12, won third place trophy in the Marksman Class. Medals for first place in the standing event of 10 shots standing, with the .22 calibre rifle at 50 feet, were awarded to Jerry Newman and Jimmy Hansen for this event.

Three youngsters are students of Miss Ann Frickman, NRA instructor, who conducts a small arms training school on the San Pedro target range for youngsters every Sunday at 1 p.m. Next class enrollment is October 2, at the range.

Regent Tells Convention

The regular meeting of the Women of the Moose was held recently in the Moose Hall on Carson st. Peggy Peacock, senior regent gave a report on the state convention held in Richmond. Betty Pernel was unable to attend the convention so Joyce Clay attended with Peggy Peacock. California is third in the membership gain, Mrs. Peacock said.
